PREFACE

This bibliography was compiled by the CIA Library from materials available in the Washington area.

Listed are books, pamphlets, and periodical articles (excluding some of the popular news weeklies) by and about President Kennedy and his inner circle of advisers, showing their present views as well as the election platform. Opinions of several cabinet members, and the vice president are also included.

Symbols and call numbers following the citations indicate the locations of the publications. Those marked with an asterisk (*) were not located in the Washington area.

CIA - Central Intelligence Library
DLC - Library of Congress

When requesting any of the items listed, please specify that they were cited in this bibliography. Requests for items, or for additional copies, should be forwarded through regular library service channels.
